"THROUGH THE YEARS"

Each year of our life is pieced together by the things we do. Our 1975-76 year at R. V. was a happy one consisting of basketball and football games, club meetings, talking in the halls, loads of schoolwork, class play, many after-the-game dances, then our prom "DREAM WEAVER", and finally graduation.

Think of this year as a picture puzzle and piece 1975-76 together as you look "THROUGH THE YEARS."

Dedication

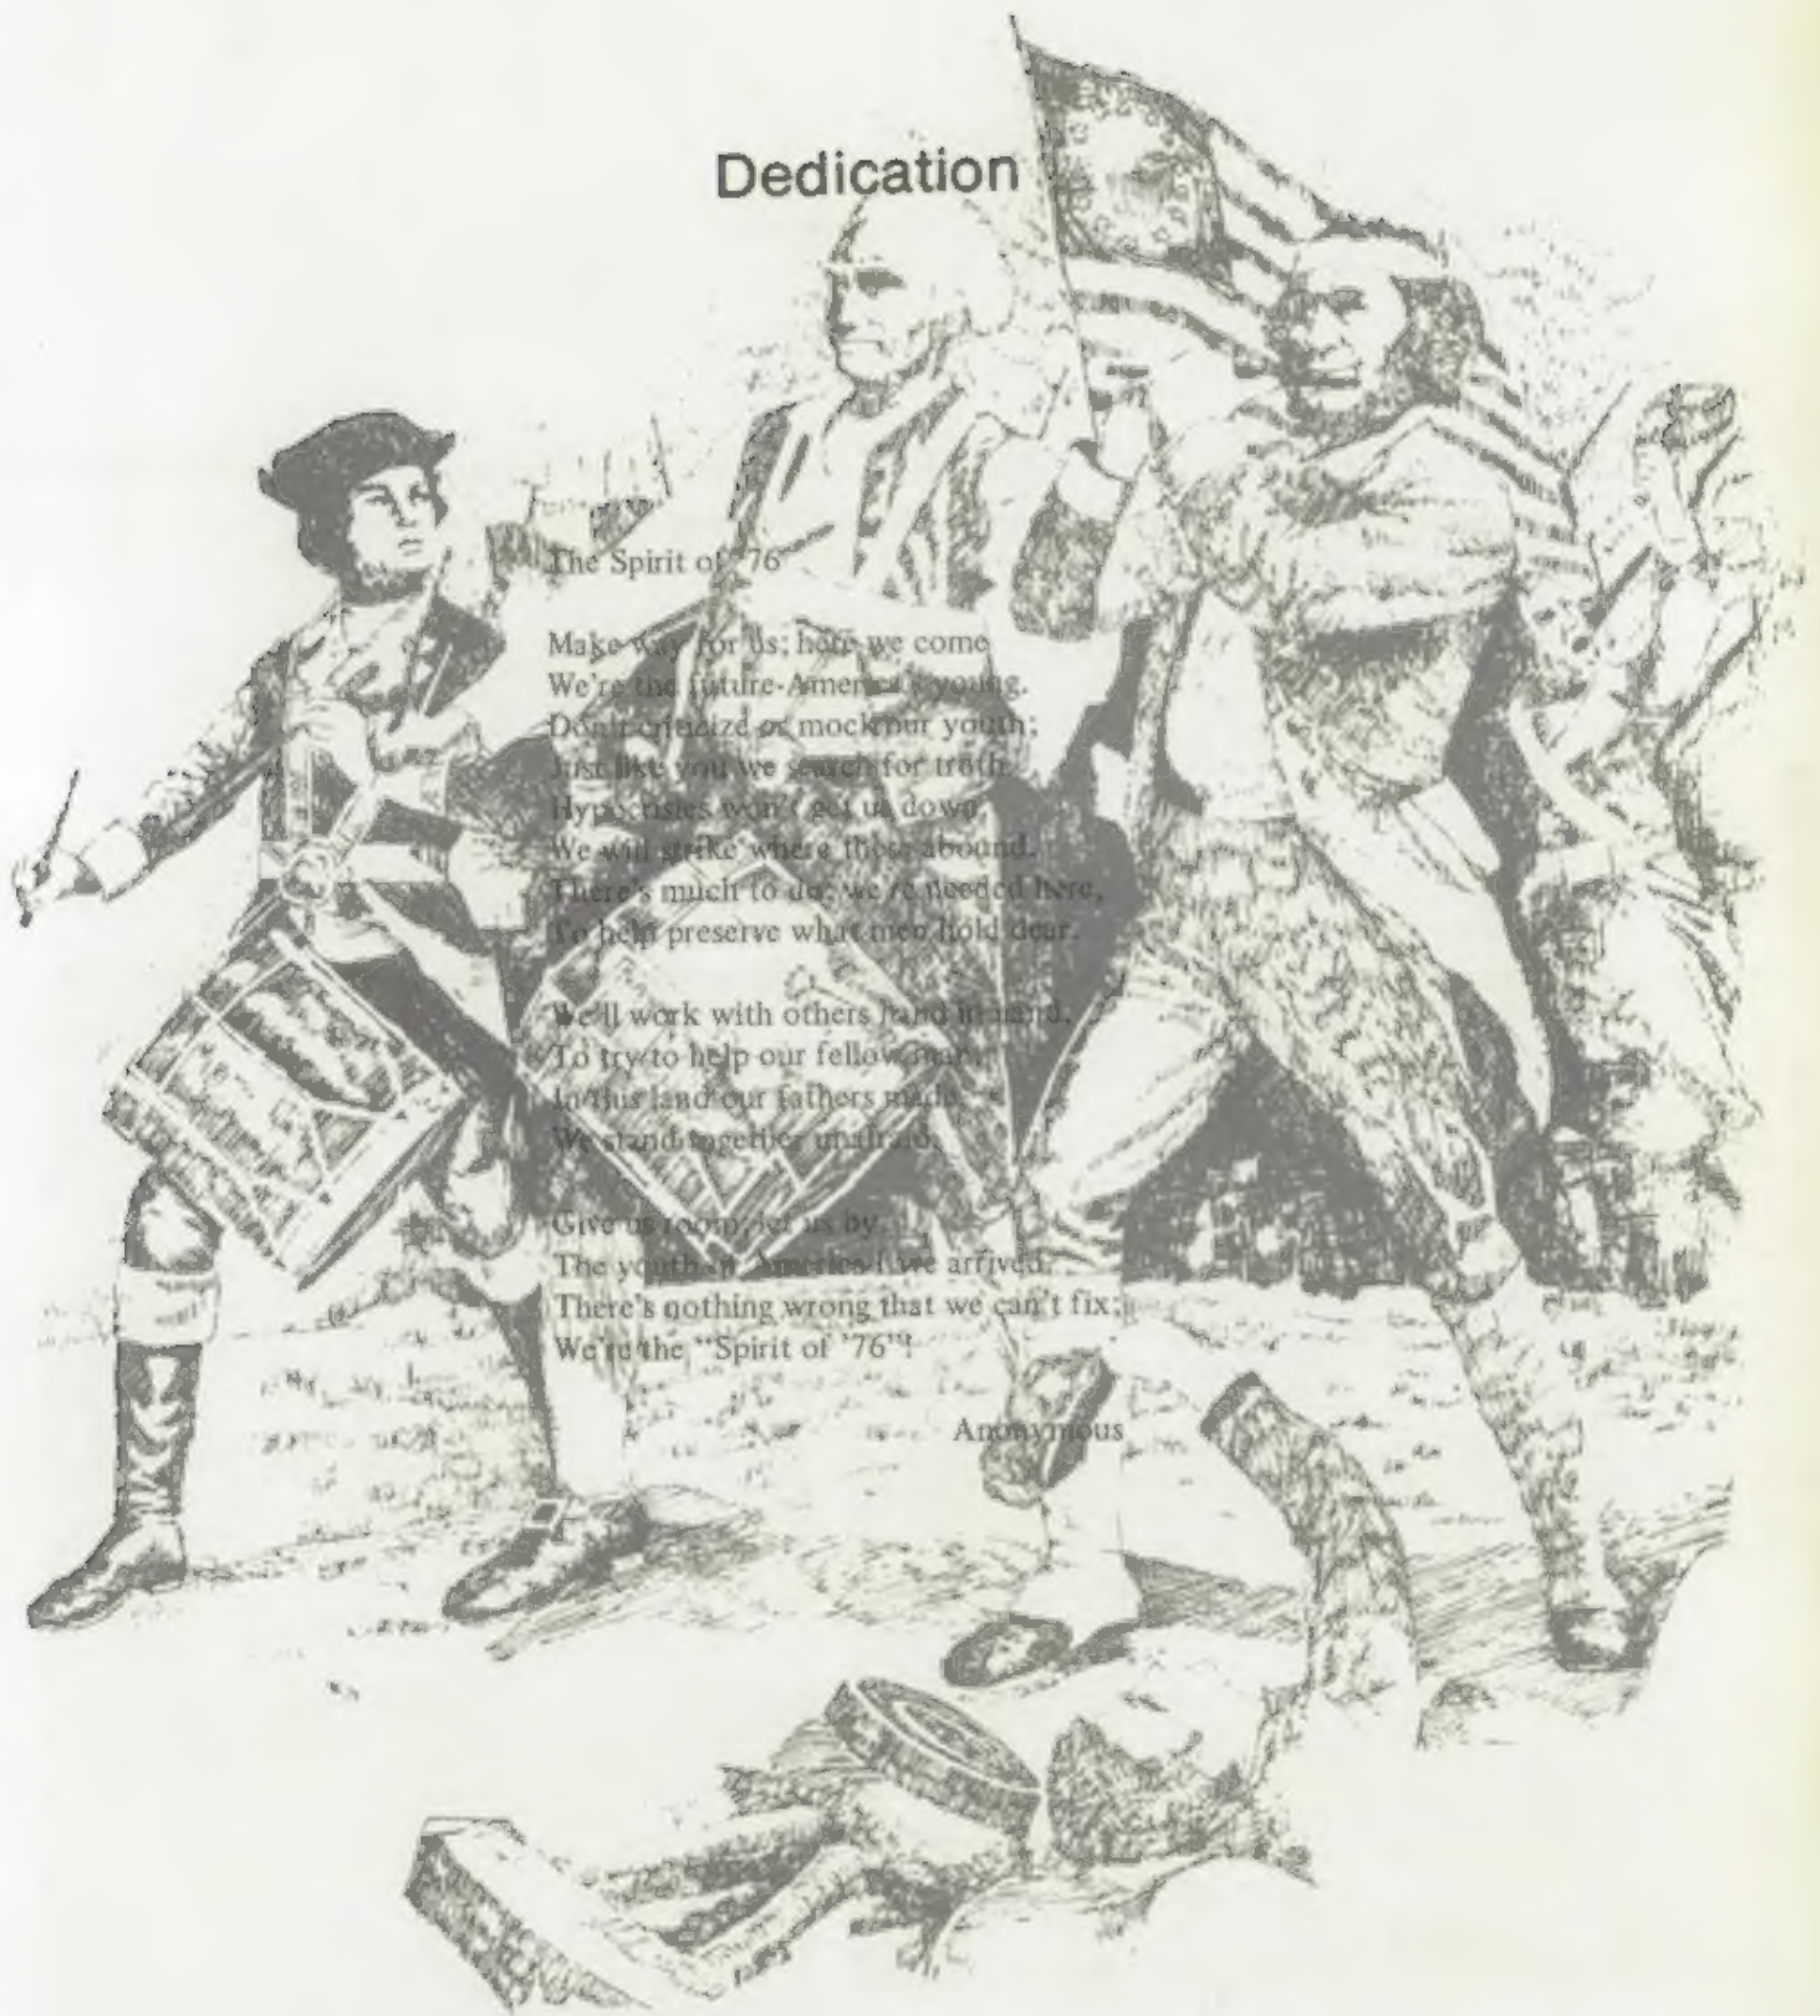

The Spirit of '76

Make way for us; here we come
We're the future-America's young.
Don't criticize or mock our youth;
Just like you we search for truth.
Hypocrites won't get us down,
We will strike where they abound.
There's much to do; we're needed here,
To help preserve what men hold dear.

We'll work with others hand in hand,
To try to help our fellow man.
In this land our fathers made,
We stand together unafraid.

Give us room; let us by;
The youth of America have arrived.
There's nothing wrong that we can't fix;
We're the "Spirit of '76"!

As I let my mind wander slowly
Through memories of past times
It lingers upon many different
Incidents in my life.

Gazing back through the years,
I remember times of playing
and make-believe; worries and
fears never seemed to penetrate
my peaceful existence.

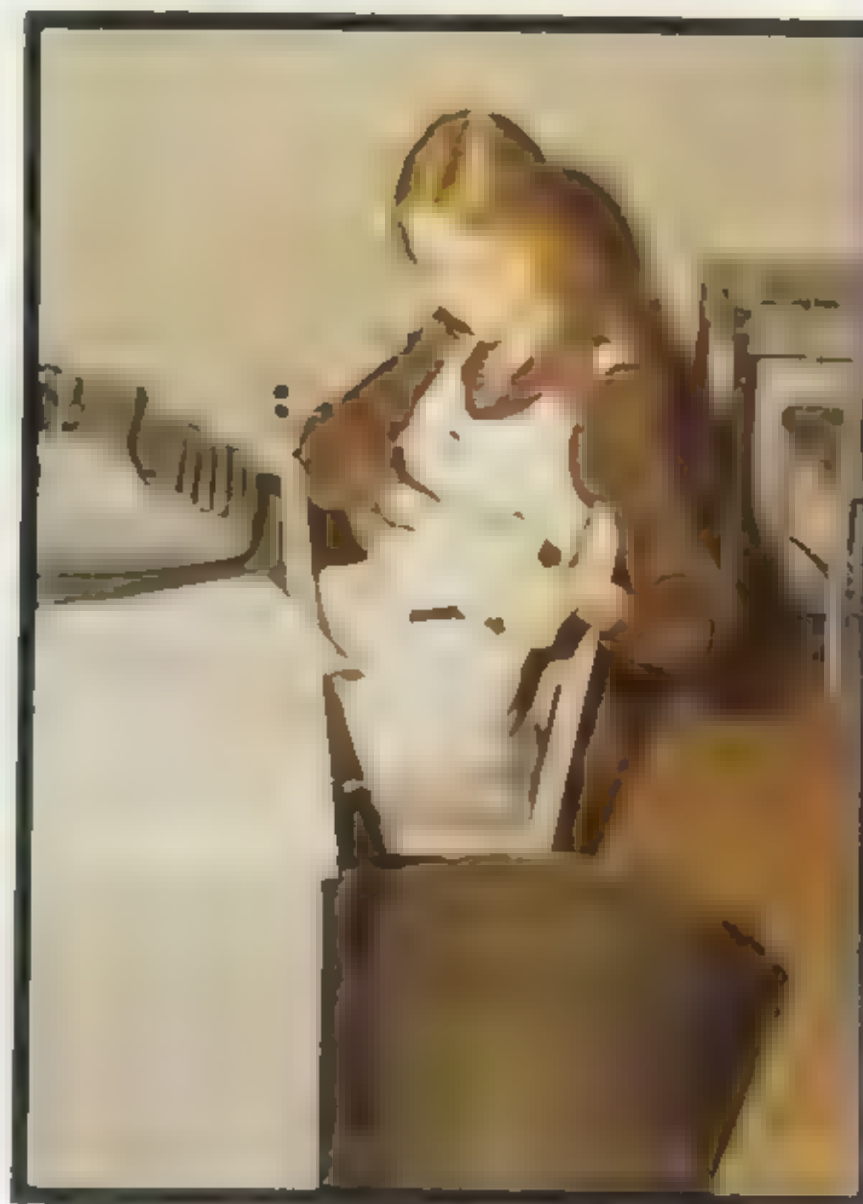

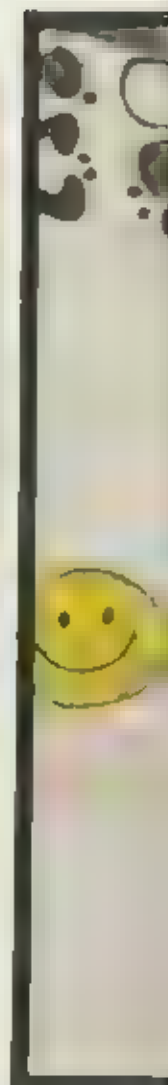

Gazing back through the years,
I remember problems that seemed
so insurmountable at that time but
so trivial now, and I think how
lucky the naive are.

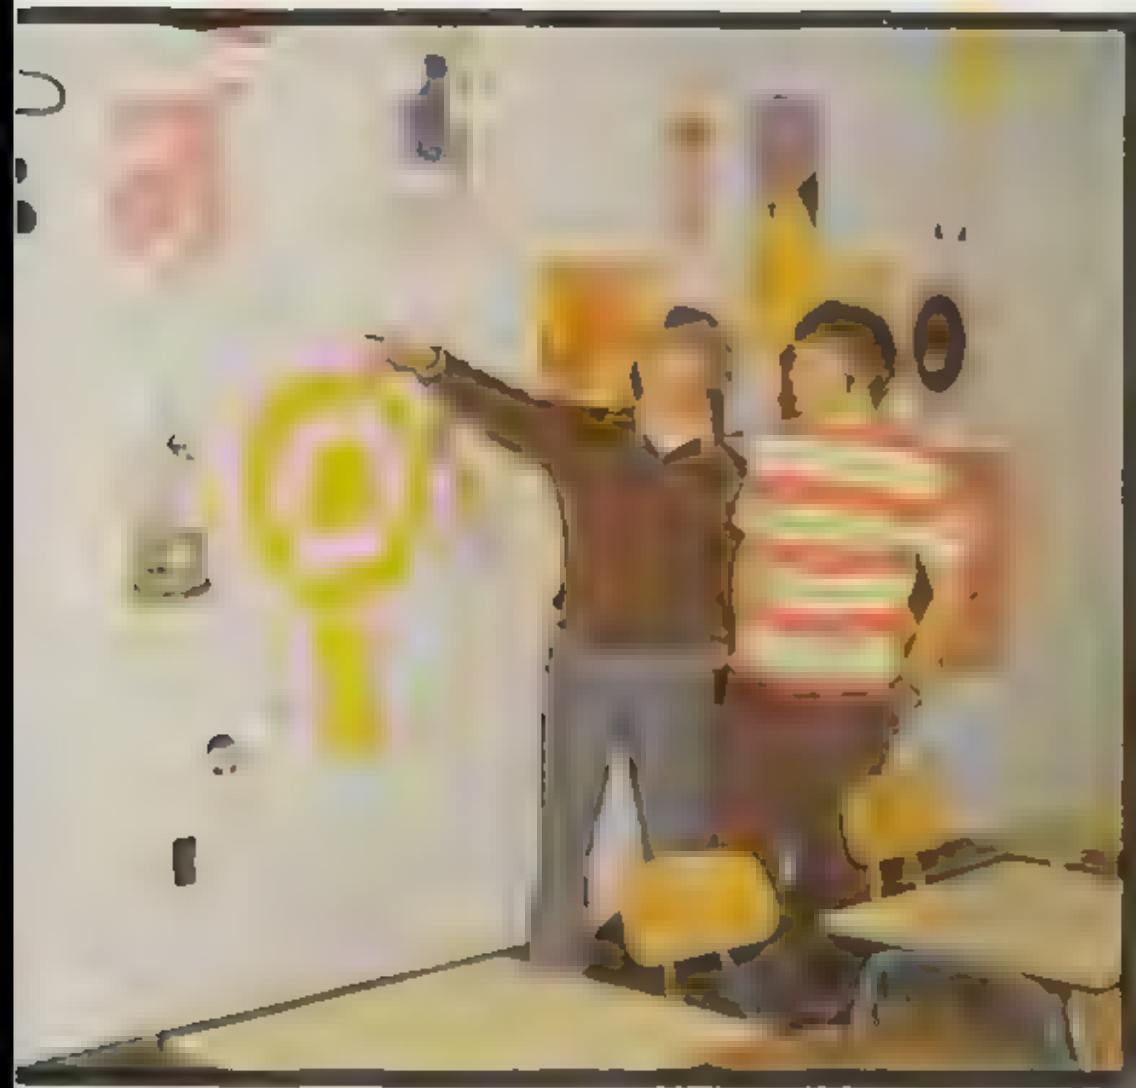

Gazing back through the months,
I remember experiencing utter
defeat as I watched some things I
desired desperately and almost
grasped float away else where

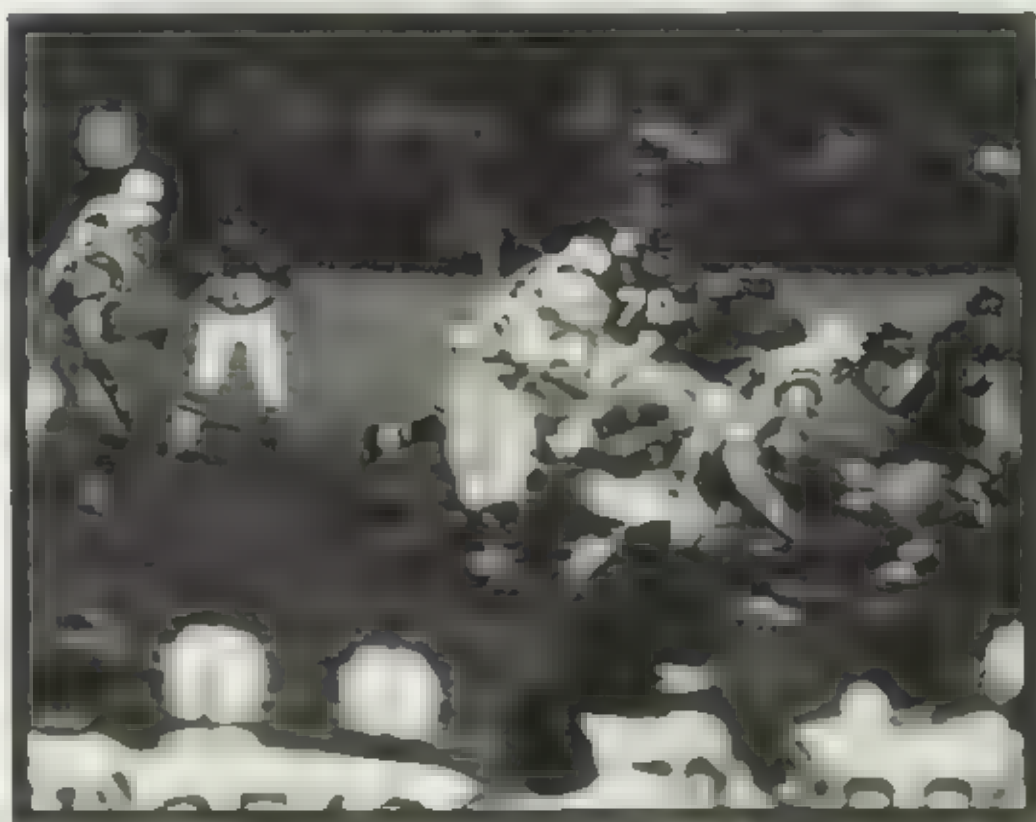

Gazing back through the months,
I remember seeing people ridicule
humiliate others, then laugh as the
victim walked miserably away
with tears in his eyes

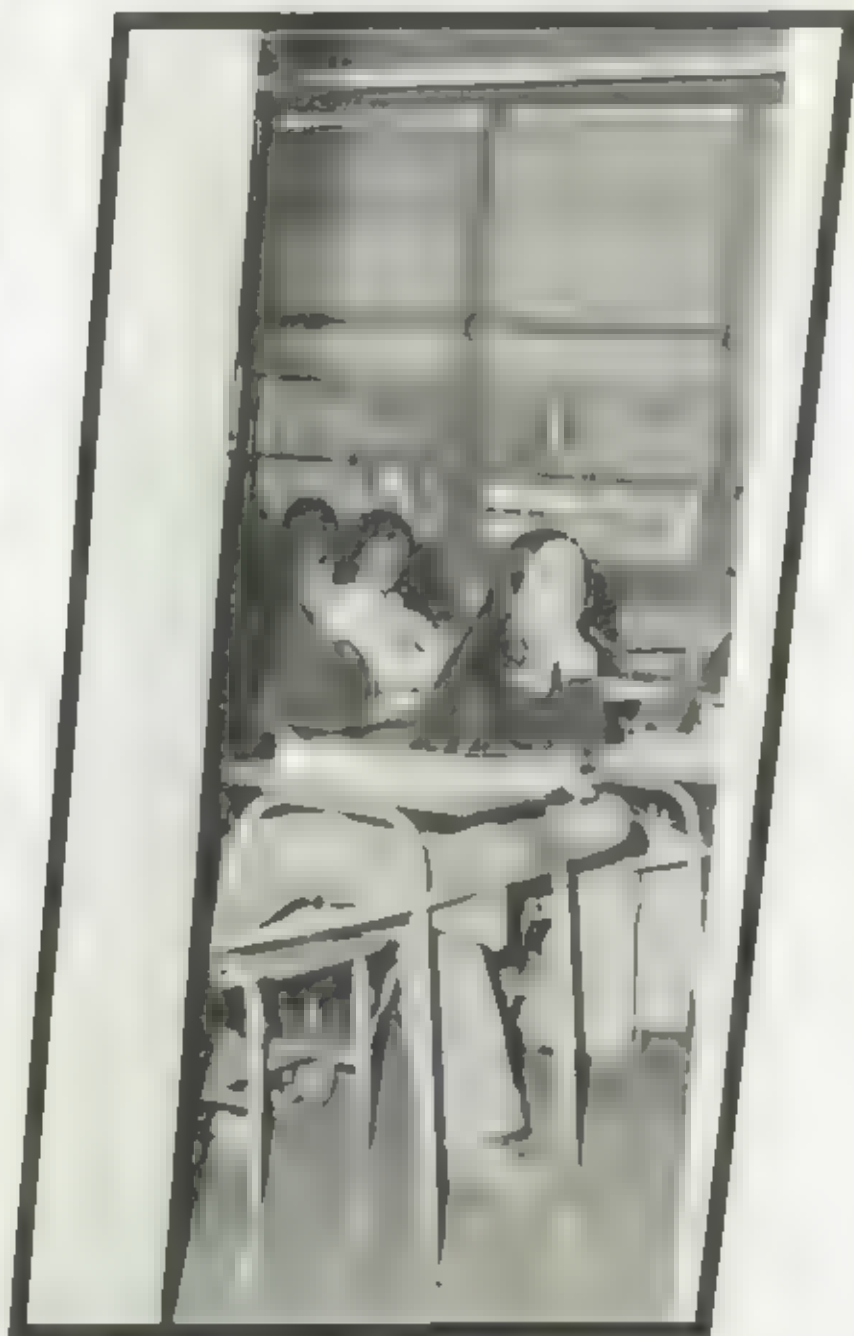

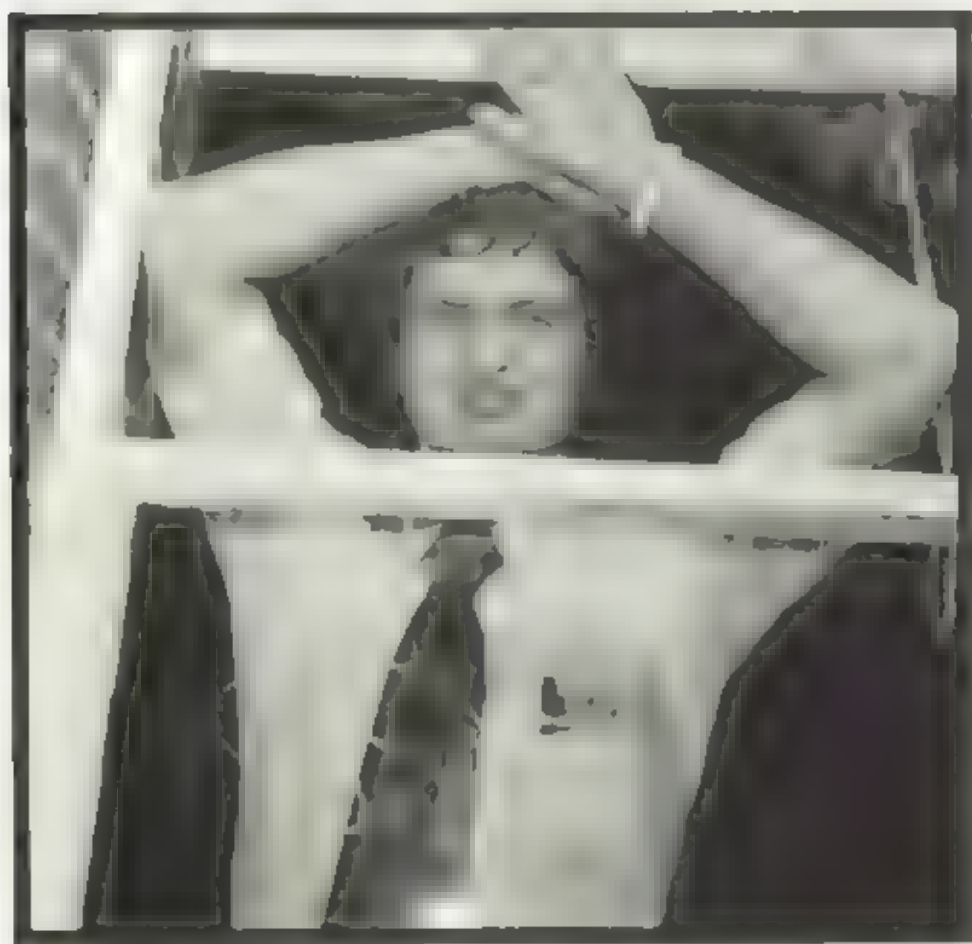

Gazing back through the days,
I remember the good times I've had
With my friends when we've laughed and
Laughed, not caring if anyone else laughed with us.

Looking back through the days
I remember times when I felt
I was alone and was sure no one
cared, but someone always came
along to tell me that he DID care.

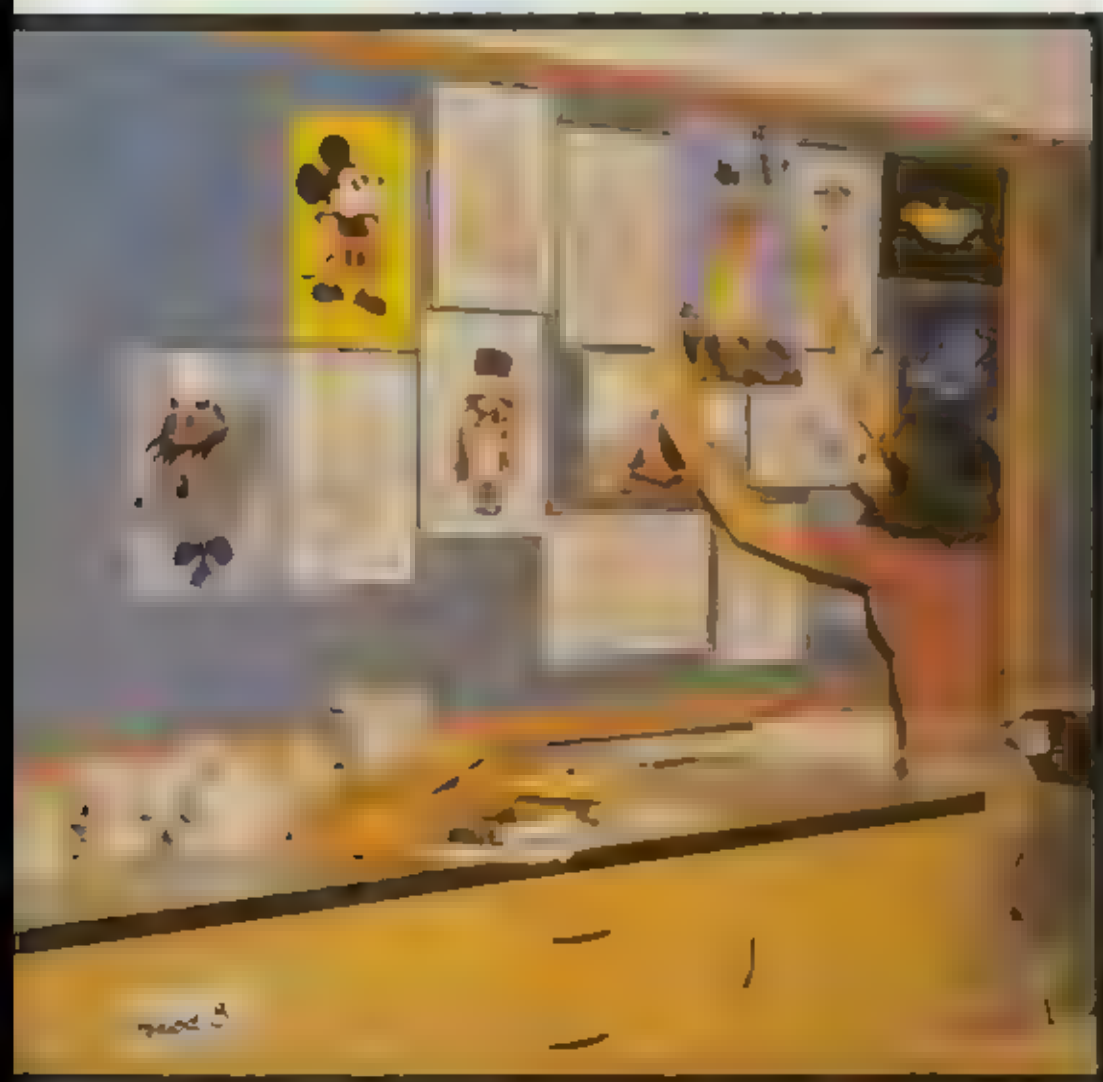

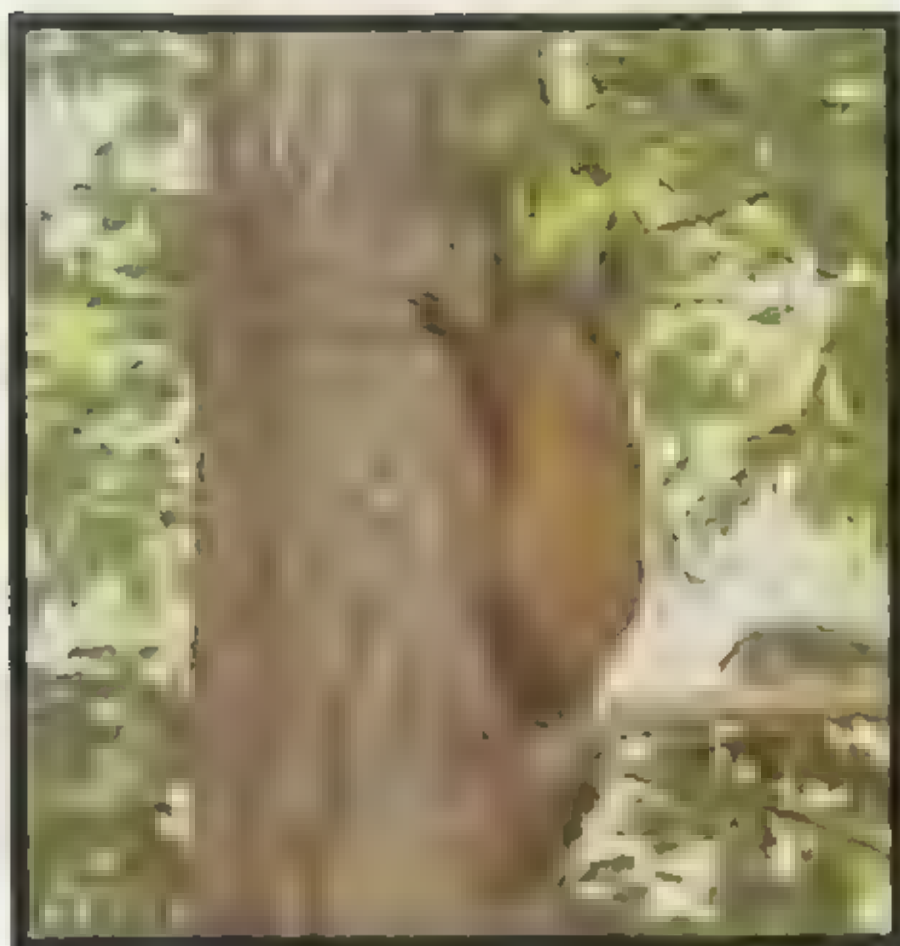

Gazing back through the hours.
I realize that though at times life
is both cruel and bitter, there is
love and understanding if I only
look deep enough and hard enough
to find it

As I let my mind wander slowly
through memories of times past, it
lingers upon many different incidents
in my life

1976 Vallis Yearbook Staff

Copy sheets, layout mats, and pictures galore are sights that the year book staff has been looking at since the beginning of the school year. Not only during school did the staff work, but after school and on Saturdays and even after school left out for the summer months, the staff was still seen in room 133. Even though it seemed like it would never be done, the staff and advisor, Mr. Long, are proud to present to you, its readers, the 1976 VALLIS

The co-editors and advisor would like to thank all the people who helped to put the book together. Especially to Mr. Carrier; without him it would have been entirely impossible.

Under the direction of Miss Ann Slater, the Drill Team performed at every football game, at Pep Rallies, and at basketball games occasionally. During the summer months, the team seniors and others went to a special camp for drill teams where they learned all their routines for the following year. This camp is similar to the cheerleading camps that the Red-back cheerleaders go to. All in all the drill team is in a "class" of its own.

With a combination of 25 Seniors, 15 Juniors, and 19 Sophomores, the Concert Choir added to the musical culture and entertainment of the 1975-76 school year at R V H S. Through a combined effort of the vocal and instrumental department, we were proud to host the 1975 Clanton County Music Festival. On December 21, 1975, the choir helped fill a Sunday afternoon with inspiring Christmas music. Spring was busy with the musical, preparing for the Spring Concert, and Seniors practicing their song for Commencement.

The Concert Choir gave several performances for area churches and clubs throughout the year. The annual Spring Choral Concert was presented May 8, 1976. The second half of the program was a salute to the Bicentennial. The showing of slides and some instrumental accompaniment on the final scenes added to a dramatic and effective finale. The successful year came to an end with the Seniors singing their song "Good Bye Our Hometown" at the Commencement. Outstanding piano accompaniment was provided by Emily Anderson and Joe Peterson.

Their first performance was the Christmas Concert on December 21, 1975. They also performed for the elementary and high school Christmas assemblies. Combined with the Concert Choir, they entertained us in the Spring Concert with some lighter selections. The highlight of their performance was their dance routine to a Ragtime Medley consisting of, "Hey, Has Anybody Seen My Sweet Gypsy Rose", "Tie a Yellow Ribbon Round the Ole Oak Tree", and "Who's In the Strawberry Patch With Sally". Adding to the effect were top hats, canes, and, of course, some "yellow ribbons".

Fashion and Art Show Has Bicentennial Theme

"Silhouettes of Fashion" was the Bicentennial theme for the 1976 fashion show presented by the Home Economics and Art departments. A brief history of fashion was presented and the girls modeled clothes made in class. A tea was served in the lobby before the show. Crafts projects made in the home economics and art classes were displayed in the cafeteria.

Fiddler on the Roof

A fiddler on the what? Yes, a fiddler on the roof! On the stage at Redbank!

On April 2 and 3, 1976 the Musical and Dramatics Departments of Redbank Valley High School presented Jerome Robbins "Fiddler on the Roof". After eight long weeks of tiring practices, screaming directors and fallen grades, about sixty students performed two exceptional performances before near-capacity crowds.

The musical is the story of Tevye, a dairyman, his family and his friends. The scene of the play is the little Russian village of Anatevka around 1900. During the course of the play, Tevye and his friends are not only driven from their homes, but also they lose the element which has governed their lives for generations—their Jewish traditions.

As I sit writing this resume, I hope the people who participated in the musical will remember

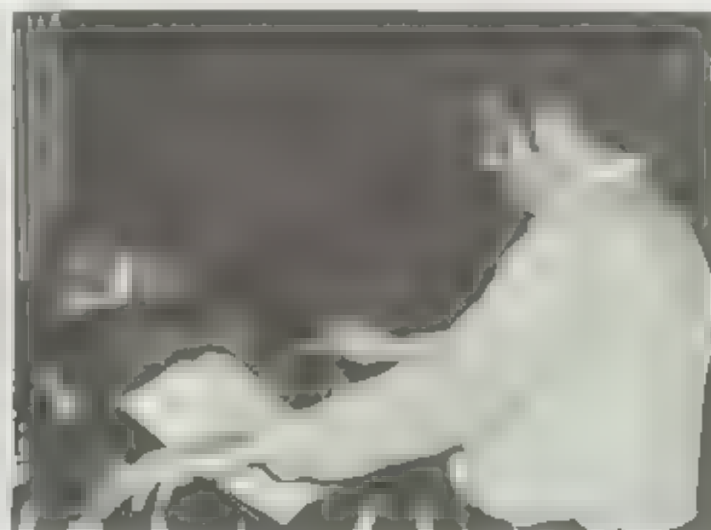

trying to learn how to dance—balancing bottles on heads—Mark's late entrance—Jamie's broken zipper—the cart falling apart—the Fiddler—Dr. Longwell—the instant replay of the wedding scene—Nancy not finding the curtain opening—our cameraman, Larry, falling off of the platform—the improvement in the lovers' scene from February to April—Janet's ghostly choking of Ray—gambling in the wings—Blinkie and Sprinkle—the bar room scene—Tom's gas problem at the table—practicing in the cafeteria—Mom 1 and Mom 2. But most of all, the final curtain on Saturday night.

Autumn

On a cold, frosty night our boys came out to a Homecoming ball. Their spirits were high, but the odds were against them.

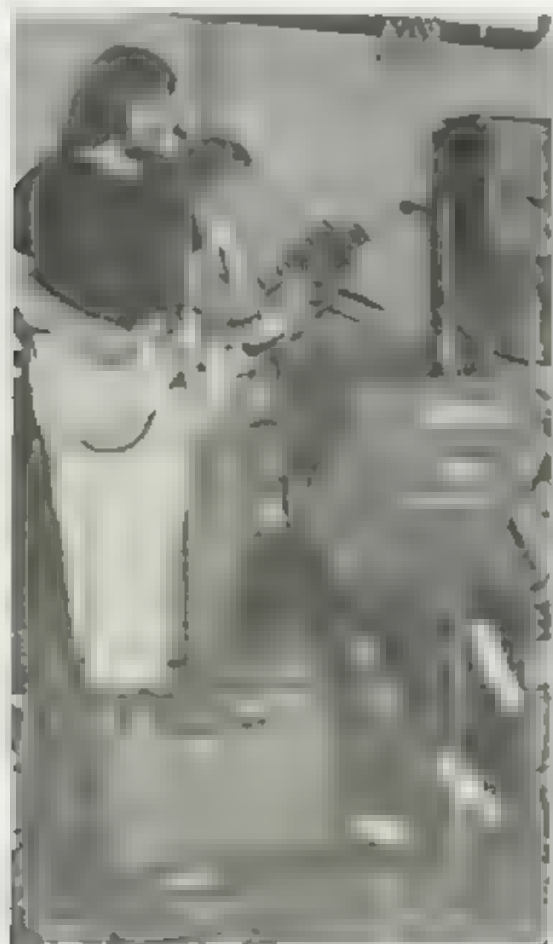

During halftime ceremonies, Senior Phyllis Burdett was crowned the 1976 Homecoming Queen.

Afterwards, nothing could quiet Dennis O'Bell and his band from playing for the 1975-76 Homecoming, and soon our boys were full of hope for the next game. Enjoying the scene of an Autumn day, our Homecoming still held its purpose.

Bad Break for RV Football

Unfortunately for the football squad, the players and coaches just couldn't seem to put it together this 1975 football season. But even though their record for the season was only 2-7, the coaches and players agreed that its not whether you win or lose, its how you play the game that counts. And these guys know how to play the game of football. No matter what the score was they were always out there giving one hundred percent, and that is the most important thing in any team sport.

Three Months To Remember

The 10-8 record compiled by the varsity girls doesn't show the effort, determination, and dedication they possessed throughout the three month season. Patty Hanna lead Reebank in scoring and also received the All-Conference Trophy. Julie Tyger was high rebounder and JoLynn Shaffer lead the assist's column. The team will lose five seniors, leaving two juniors as the only returning varsity players. This year saw many tears and hurt feelings, but most of all, it saw laughs, girls working together, and all round good times.

. . . They Made Up for with Enthusiam!

The Redbank Valley Basketball Bulldogs knew from the start that lack of size, speed, and experience would have to be overcome in order to have a successful season. With its tallest starter at only 5'11", the Bulldogs opened up their season with impressive wins over Cranberry and Shannock Valley. The Bulldogs with a style of play never witnessed before in the Clarion County league, the Slow-down, either beat or scared all the teams in their league.

Twice A-C became victim of the slowdown. This was the first time ever that A-C was beaten twice by R-V in one season. Against league champion Moniteau, the Bulldogs took the last shot in regulation time and missed, then lost in overtime.

In all the Bulldogs had 9 wins and 13 losses. RV lost game by 7 points, 2 by six, and 6 games by 3 points or less. They lost 3 straight games in overtime. No one can say that the "76" Bulldogs didn't give their fans many exciting games.

7th and 8th Graders Learn Basketball Strategy

The J.V. Basketball team has shown great improvement toward becoming good Varsity players. They closed their season with a winning record of 12 wins and 10 losses. Perhaps the best indication of things to come was a game played late in the season. Who can forget the thrilling seasonal upset victory over a previously undefeated C-L team, which ended their season losing only two games? The J.V. members should be congratulated on a fine season; and in years to come they should provide many exciting thrills for Redbank Valley basketball fans.

The 1975-76 Ninth Grade Basketball team ended their season with a record of 8 wins and 6 losses, including big wins over Clanon, East Brady, C-L, Union, and A-C Valley. The record is not a bad one considering the team's lack of size. But what the "little" Bulldogs lacked in size, they make up for in hustle and desire, both offensively and defensively.

The Eighth Grade team had a record of 10-6, while the Seventh Graders' record was 6-5.

"Coach of the Year 1976"

What can be said about a coach whose team has won two consecutive District IX titles in two years, whose superb coaching ability has helped to psych up countless youngsters to give 100% even when the odds are against them, whose never-say-die spirit pushed three boys to regional championships and one wrestler to a third place at States, and whose whole attitude toward wrestling is total enjoyment of the sport and love of coaching eager boys? There is only one man who fits this description and that man is Coach Ben Kundick. "Coach of the Year 1976."

REGIONAL CHAMPS Mark Huffman, Guy Magagnotti, Mike Dinger

Three RV Matmen Place at Regionals

Since 1953, Redbank Valley has not had a Regional champ in wrestling. The year 1976, however, was definitely the year of the Bulldogs. At Clarion State College, fans witnessed three thrilling victories. Mark Huffman, Guy Magagnotti, and Mike Dinger became the Regional champs and thus were qualified for States.

Guy Magagnotti

Guy Magagnotti Takes 3rd Place At Penn State

Although there were three wrestlers taken to States at Penn State University, the only one to place was Guy Magagnotti. But, just being a qualifier at a state tournament is a respectable feat.

Gary Case Wins Pa. Jr. Wrestling Medal

Gary Case

It all began at the Punxsutawney gymnasium among a screaming crowd of area fans at the PA Junior Tournament Preliminary matches. Gary Case became the Area V champ in his weight class, but not before he had wrestled three matches without a point scored against him. From preliminaries, Gary proceeded to the Area Finals held at Sharon High School. Here, he participated with boys from all areas of Western Pa. This was the scene of a true wrestler proving his ability. Gary wrestled two matches and had only two points scored against him. If this is any indication, Gary should be a fine candidate for Varsity Wrestling in future years.

Wrestling Stats Honor Wrestlers At Christmas Tournament

In order to honor the wrestlers for their supreme efforts on the mats, the wrestling statisticians presented the team with a statue in appreciation for all they have done to further Redbank's wrestling status. Tammy Kundick presented the trophy to Mark Huffman, one of the tri-captains during the Christmas Tournament.

Next year the wrestling Bulldogs will be at a definite disadvantage. The team will lose twelve seniors because of graduation, but will be recruiting to fill these vacancies. Once Was Not Enough

The 1975-76 wrestlers were not satisfied with one District IX title. So, they sweated their way through another grueling season and in the end got what they deserved a second District IX championship.

The team ended their season with an overall record of 11-1. Their district record was an undefeated 7-0 for the season. The only loss of the season was to Oil City by four points. Not only did they receive the District championship, but they won the Christmas Tournament, the Sectional Tourney, and the District Tourney. From Districts they proceeded to Regionals, where the team placed second to Reynolds' first place score.

During Sectionals, the team produced seven Sectional champs who went to Districts. At Districts there was a giant disappointment, though, because of the seven going in, not one gained a championship. All received second places. But they didn't give up, and out of seven wrestlers at Regionals, three became champs, the first Regional champs since 1953. The three Regional champs then participated in the State

competition at Penn State University where Guy Magagnotti placed third.

The 1975-76 Wrestling Bulldogs have gained a status which will be hard to compare to in future years.

Practice, Practice, and More Practice Pays Off

Practice makes perfect seemed to be the thought uppermost in the minds of the Girl's Volleyball team this year. Being only their second year in existence, the team really didn't have great odds for becoming champions, but due to their great efforts and never-say-die spirits, they managed to grasp a runner-up position in league standings. Many long hours were put in to develop the team coordination, playing skills and undying spirit needed for any team to become winners. This year the VP's proved that once you've got the will to win, no one can stop you.

Their overall record for the season was 11-3, for the season of regular league play was 5-3. This record put them in second place in the Southern division, and made them eligible for the play-offs at Keystone in which the two top teams in both Northern and Southern divisions competed in a Round Robin Tournament to determine the overall winner. After playing four games straight, Redbank became the Runner-up in the Clarion league. For accomplishing this feat, they received the game ball.

RV Thinclads Pull Upset Over C-L

This year the track team had a kind of reorganization year. Trackmen who had previously been out for the sport, continued in whatever line they had excelled in last year. But the ones who had not been out for track last year were given their choice of events, but if they were not quite as expertise as hoped for in that line, they were juggled around to find the right event for the right person. An example of this was a hurdler, Bob Stewart, who ended the season being a miler.

In spite of this juggling in the events, the team had an overall good season. They ended the season with a 9-2 record. Included in this record is an upset victory over Clarion-Limestone. Redbank was considered the underdog in this meet, but as an experienced team always does, they didn't give up hope. They came from behind and with two events left to be run, had the meet in the palm of their hands. Chalk up another victory to the never-say-die spirit.

Records Set by Girl's Track Team

Equal rights for women was the cry heard at Redbank this year. Starting this year the girls will have equal rights in the respect that they will now have a Girl's Track team. The origin of this track team is peculiar. Two days before the Girl's Track Districts, Tammy Kundick decided that Redbank should be represented. So, a few girls got together and practiced for those two days. Needless to say though, they knew nothing about the proper techniques for running and jumping. Two days is not enough time to become adept at them, either. In spite of this, the seven girls went to Clarion State College to compete in Districts. Because this was the first girl's team, records were set in every event they participated in, including the 100 yard dash, 220, 440 relay, 440 and high jump. Even though they didn't place, the girls will always have that experience of competing on the first team.

The Redbank Valley Golf Team did it again! For two years in a row the team has been Clarion County League champs. This year their record was 14-2-1.

Not many people know much about the golf team. It has probably been the most successful team at R.V. But unfortunately for the high school and community the 1975-76 season will be the last one for participants in the golf program. This year the team was threatened, but thanks to the golf parents and boys in the program the team was extended one year.

Coach Jess Caldwell and the golfers have much to be proud of during their previous winning seasons and this year's fantastic season.

Varsity Club Includes Athletes Who Letter in All Sports

The Redbank Valley Varsity Club under the direction of Mr. Ben Kundick is a club for all athletes who letter in any sport. When an athlete becomes a member, he or she has the opportunity to purchase a varsity jacket or varsity sweater to put his or her letter on to display their accomplishments. The purpose of the Varsity Club is to unite all sports, instead of dividing them into divisions such as Girls and Boy's Basketball.

VARSIITY CLUB FRONT: Dave Dinger, Mark Jullman, Joe Snyder, Larry Lufsey, Eric Fox, Scott Bowersox, Keith McCall. **ROW 2:** Mark Kopnitsky, Allen Gourley, Doug Sandler, Brady Sasse, Tony Himes, Bob Grindler, Greg Bush. **ROW 3:** Guy Magagnotti, Terry Boyles, Kelly Clemens, Randy Burford. **ROW 4:** Julie Tyger, Patti Hanna, Tammy Kundick, Jo Lynn Shaffer.

Bulldog Olympics Becomes Tradition At Redbank

The annual Bulldog Olympics was held on the last day of school, June 8, to give the kids a beginning to their summer vacation. Events such as banana eating, frisbee throwing, Businessman's Breakfast, inner tube race, and track events highlighted the day. This year the Sophomores proved their status by coming in first in total points to become the champs of the 1975-76 Bulldog Olympics.

FREEBIRD

BY LYN YRD SKYNYRD

If I leave here tomorrow
Would you still remember me?
For I must be travelling on, now,
'Cause there's too many places I've got to see.
But if I stayed here with you girl,
Things just couldn't be the same
'Cause I'm as free as a bird, now,
And this bird you cannot change.
Lord knows, I can't change.

Bye, Bye it's been a sweet love,
Though this feeling I can't change
But, please don't take it so badly,
'Cause the Lord knows I'm to blame
But if I stayed here with you girl,
Things just couldn't be the same
'Cause I'm free as a bird, now,
And this bird you'll never change
And this bird you cannot change
Lord know, I can't change
Lord help me, I can't change

Mrs. Mary Conrad

With Deepest Appreciation. . .

We, the Class of 1976, would like to extend our thanks to Mrs. Mary Conrad for her precious time and unceasing efforts. We will always be grateful for her interest in our class activities and for her stimulating personality that carried us through many turmoils

After graduating from the Wampum High School, Mrs. Conrad received her B.S. from the Indiana University of Pennsylvania. She has taught English at Redbank in previous years and this year taught mini-courses. Mrs. Conrad is exceedingly active in the New Bethlehem community. She directs the Methodist church choir and also holds membership in the Bicentennial Committee and the Business and Professional Women's Club. During her spare time, she enjoys playing golf and tennis

Mrs. Conrad had taken time from her busy schedule to head the Senior class advisors. Without her guidance our class wouldn't have had a Washington trip, a prom, or a Senior banquet. The class of 1976 will never forget Mrs. Conrad and would like to say,

"Thank you, Mrs. Conrad, for being there."

Absolutely Murder —the Senior Play

On November 21 & 22, the 1976 Class of Redbank Valley presented a comedy-mystery ABSOLUTELY MURDER. Suspense was created through the roles of Dr. Hooker, Ray Karns, Mrs. Ranch, Phyllis Veronesi, Mr. Cowell, Jack Brocius, "the dead boy," Jim Watkins, and the meline, Marti Jo Smith.

However, to add to the amusement and excitement of the rainy, stormy night in an old powder mill, three mentally "touched" patients had to arrive: Tina Palaggo, Janet Wall, and Laura Plavney.

Of course no story is complete without romance and Mike Dean, as Skye, Ellen Arbuckle, as Kate, and Gregg Shoemaker, as Lane, kept the audience wondering "who would win the girl."

The play would not have been complete without the naivete of Aunt Bess, Tina Willison, and her love of antiques along with the Nurse, Marge McCall, and Mrs. Cordyce, Darla Case.

The murderer was finally discovered and many interesting developments occurred in romance to make this play as exciting and amusing as it had begun.

Dream Weaver

—The Senior Prom

I've just closed my eyes again
climbed aboard the dream weaver train
Driver, take away my worries of today
and leave tomorrow behind

Fly me high through the starry skies
or maybe to an astral plane
Cross the highway of the sky
and meet me on the other side

Though the dawn may be coming soon
there still may be some time.
Fly me away to the bright side of the moon
and meet me on the other side

Oo dream weaver, I believe you can
get me through the nights.
Oo, dream weaver, I believe we can
reach the morning light

Court Dance

Flickering candles, starry skies, and castles in the clouds transformed the high school gymnasium into the perfect setting for the Senior prom on April 23, 1976. From 7:00 midnight couples danced to the music of "Ivory". Class president Phyllis Burdett crowned Mark Bright and Pat Hanna King and Queen after which everyone joined the court in dancing to "Dream Weaver", the prom theme.

When the prom finished the couples returned to the gym for the After prom party. Parents, a hypnotist, and "Dark Horse" provided entertainment until the break of dawn ended a night the Seniors will long remember.

Looking Ahead with Longing, Looking Back with Love . . . —Graduation '76

The Redbank Valley auditorium was filled to capacity with friends, relatives, and students as commencement services were held Sunday, June 6, for 161 graduating seniors—the largest class to ever graduate from the school.

Julie Tyger served the class as valedictorian, while Charles Carrier was salutatorian. Julie's address was entitled "Freedom", and Charles spoke on "The Next 200 Years". Father Donald Cooper was guest speaker, while Rev. Robert Moore gave the invocation and the scripture reading was presented by Rev. James O. Bissell. Music selections included "America the Beautiful" by the school's senior band under Leroy Slagle and "God Made Our Hands" by the senior choir members under Anne Satter.

Mr. A. William Myers then presented the Class of 1976 and Mr. Donald Phillips, vice president of the school board presented the diplomas.

ACCEPTING DEATH

As time must pass with each new hour, THEY say
That grief will lesson, but on me it holds
Its own mysterious, mocking, chilling way
The detailed pain still grows so strong and old
As lonely, bitter nights face me ahead
It mortifies my saddened, broken heart
And though external tears I do not shed
Internal sorrow still does not depart
While others will not take long to forget
The grief and mourning of a lost loved one,
My loving memories will always let
This sorrowed longing not to be undone,
And I must go through endless time each day
With death beside me in its gripping way

In the dark of night,
When things are black and silent,
That's when I need you

Huss

I spent last summer in Huamantla
 Coahuila with my foster family, the
 de la Cruzs. During my first week, I was
 really tense because of the custom
 like kissing when I met someone (but I
 got use to that) I had many moments
 to remember from my school and family.
 The most memorable is the party that lasted until 5 AM. The
 people were very warm and friendly and
 because of this I hope to return soon.

Herb and Pat

We want to be your bank.

There are lots of good banks in town. But only one bank is everything your bank should be. First Seneca Bank.

Always open. That's very good!

At The Always Open Bank you can get cash whenever you need it. Night or day. Saturday, Sunday, holidays. All the times other banks are closed.

Better than free checking.

Our personal checking accounts are better than just free. No minimum deposit. No minimum balance. No limit on the number of checks you can write. And wouldn't you like No-Bounce check protection? It's here.

Truly better savings plan.

Our Unimatic Savings Plan pays 5% interest from day of deposit to day of withdrawal. And interest is compounded every day. You never forfeit a penny of interest.

Better borrowing, too!

The Extra Cash Account is a better way to borrow money. You apply only once. Then, whenever you need money, just write a check.

Come in!

A visit to any First Seneca office is all it takes to see how much more we offer you than any other bank.

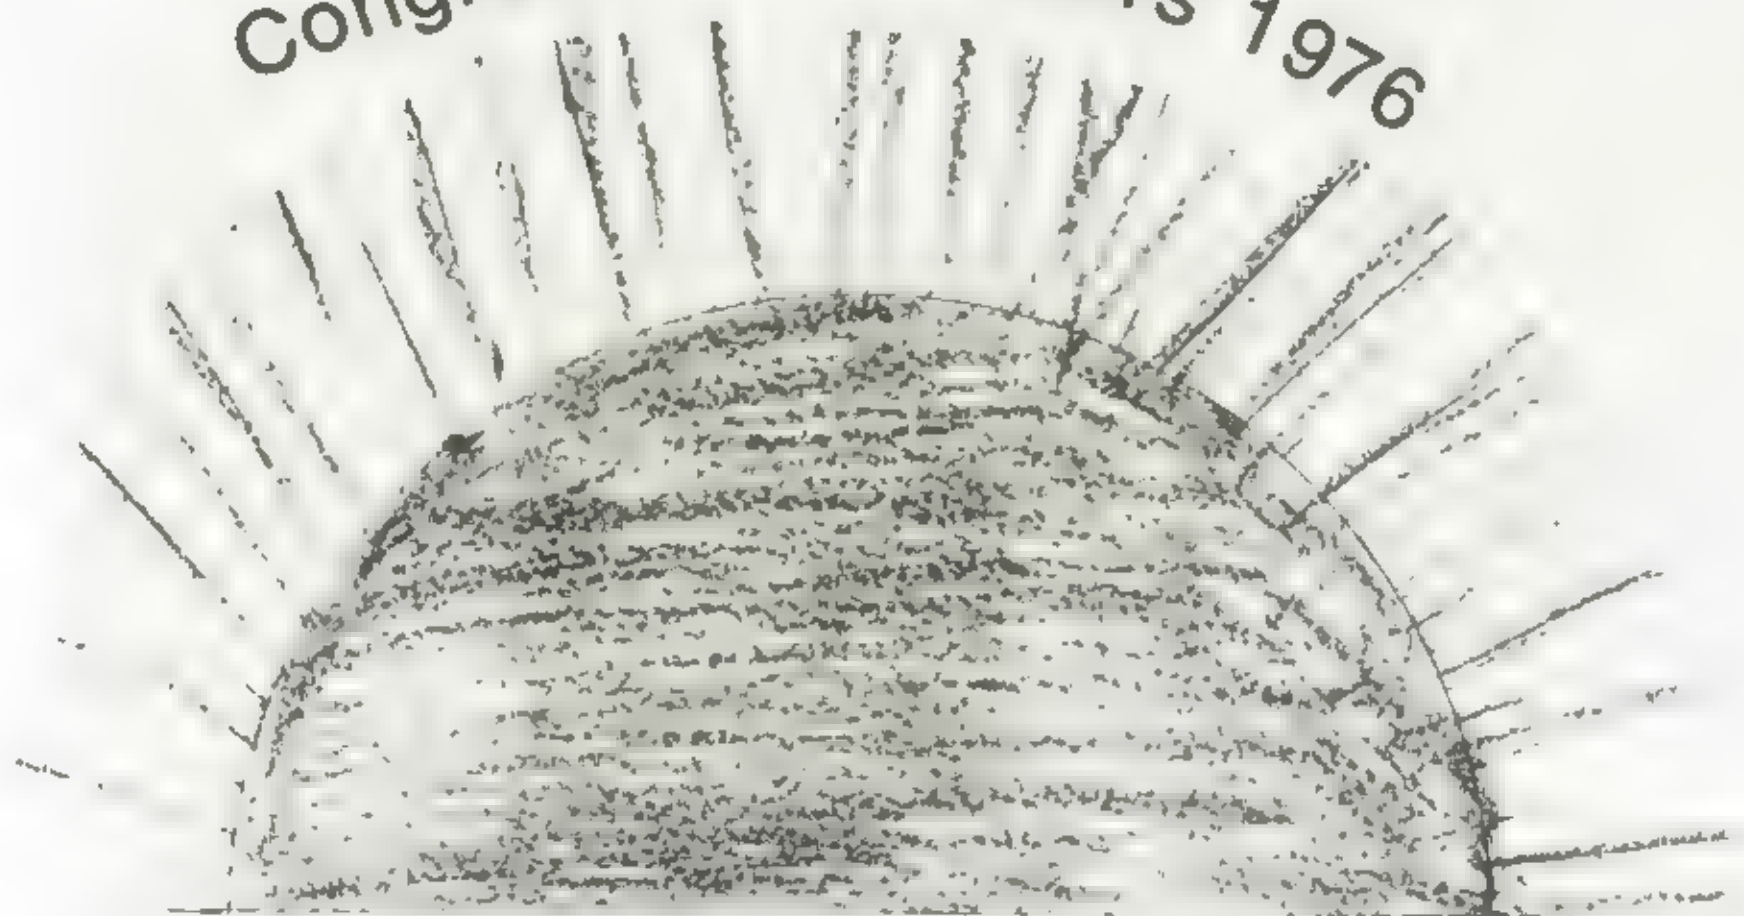

All for you.

Because we want to be your bank.
